AMU-PACOM 2022 AWARDS & MEDALS

NEW NOMINATION FORM

PART 1: For all awards and Medals (Complete this section)

NOMINATORS' DETAILS

PROPOSER Name:	CONTACT ADDRESS:	Signature/Date:
SECONDER Name:	CONTACT ADDRESS:	Signature/Date:

NOMINEE'S DETAILS

Full Name (With Title) :	
Discipline/Profession:	
Full Address :	
Phone:	Email:

Pick One(1) Award Category /Section:

- A.) Outstanding Research & Mentorship Awards
 - Award in the field of Pure Mathematics
 - Award in the field of Applied Mathematics (this includes Computer Sciences and Engineering Sciences)
- B.) Outstanding Contribution to African Mathematical Sciences Development
 - Special Medals for identified Mathematicians who have contributed to the development of Mathematical Sciences across the African continent.
- C.) Outstanding Research & Mentorship Awards for the African Diaspora
 - Award in the field of Pure Mathematics
 - Award in the field of Applied Mathematics (this includes Computer Sciences and Engineering Sciences)

PART 2: For CATEGORY A (only)
Outstanding Research & Mentorship Awards

A. I. Submit the following:

- Brief CV of the nominated candidate (not more than six pages (format: A4, Font size: Times 12)
- Brief citation to justify Nomination (*not* more than one page (format: A4, Font size:Times 12)

A. II. Complete this section:

CRITERIA (A1) :

Most Outstanding Published SCI Journals Articles with the complete reference (within Last 10 Years)
Article 1:
Article 2:
Article 3:
Article 4
Article 5:
Article 6:
Article 7:
Article 8:
Article 9:
Article 10:

CRITERIA (A2):

Most Outstanding Published SCI Books :
Book 1:
Book 2:
Book 3:
Book 4:

CRITERIA (A3):

Graduated PhD students (Include Name, Thesis title, University, Year of graduation)

CRITERIA (A4):

List of International Conference Presentations within the last 10 years (Include the authors name, conference name and year)
--

CRITERIA (A5):

International Awards and Prizes.

PART 3: For CATEGORY B (only)
Outstanding Contribution to African Mathematical Sciences Development

B. I. Submit the following:

- Brief CV of the candidate, not more than six pages (format: A4, Font size: Times 12) including a list of 5 publications and contribution in published books.
- Nomination letter of motivation, stating the contributions of the nominee to the development of Mathematical Sciences across the African continent (one to two A4 pages, Times 12)

B. II. Complete this section:

CRITERIA (B1) :

Capacity Building: List of the Supervised Postgraduate Candidate
MSc Candidates Graduated (Include Name, Thesis title, University, Year graduated)
PhD Candidates Graduated (Include Name, Thesis title, University, Year graduated)

CRITERIA (B2):

List of Local, National and International Conference Presentations (Include the authors name, paper title, conference name, venue, year)

CRITERIA (B3):

National, regional, continental and international distinctions.

PART 4: For CATEGORY C (only)

C. I. Submit the following:

- Brief CV of the nominated candidate (not more than six pages (format: A4, Font size: Times 12)
- Brief citation to justify Nomination (*not* more than one page (format: A4, Font size: Times 12)

C. II. Complete this section:

CRITERIA (C1) :

For the outstanding research awards and medals by African mathematical scientist resident in the African diaspora, the nominator should submit the following:

Most Outstanding Published SCI Journals Articles with the complete reference (within Last 10 Years)
Article 1:
Article 2:
Article 3:
Article 4
Article 5:
Article 6:
Article 7:
Article 8:
Article 9:
Article 10:

CRITERIA (C2):

Most Outstanding Published SCI Books :

CRITERIA (C3):

International Awards and Prizes

CRITERIA (C4):

Contribution to the African mathematical community (projects, collaborations, conferences and events, PhD student's supervision etc.)

CRITERIA (C5):

List of international conference presentations within the last 10 years (include the authors name, conference name and year).
